

Visit us in Munich at Hall A5 Booth 1024!

Burckhardt is your **partner** if you are looking for **perforation** and the **world leader** if you are looking for **fibrillation**.

Burckhardt offers you **Swiss precision** at **European prices**.

We offer and inform you about:

- Needle Perforation Tools for Micro-Perforation
- **World-record**: Perforating ring with REAL 303 pins/cm²
- **2 NEW** Perforation Units
“Push-Open-Pull”[®] perforating unit for easy-opening of packaged goods!
KPF Cold Perforating Unit, an entry level perforating unit at very competitive conditions
- Fibrillation of oriented as well as elastic Tapes

All our brochures and further information you will find on our home page www.burckhardt.com. We would be very pleased to welcome you at our booth to show you our latest developments and to discuss about **perforation** or **fibrillation** which you wish to be informed of.

If you need a **free visitor's ticket** to the show let us know and we will forward you a voucher with a password.
